

## The Accessible Fertility Centre - in London's Medical Heartland

The Bridge Centre is located just three minutes walk from the main entrance/exit of London Bridge Station. The London Bridge Jubilee and Northern Line exit in Borough High Street is even closer.

We can be reached by British Rail, London Underground and the Thameslink from anywhere in London and the Home Counties. Connecting rail and tube services from all the main stations - Euston, Kings Cross, Paddington, Victoria and Waterloo are fast and frequent.

**C** It is easy to pay the (£5) London Congestion Charge which is applicable between the hours of 7.00am and 6.30pm, Monday to Friday. Simply log on-line at [www.cclondon.com](http://www.cclondon.com) or call 0845 900 1234, or you can pay at most post offices (there is one very close to The Bridge Centre), local retail outlets and petrol stations. If you register online first, you can also pay by SMS text message from your registered mobile phone. This is done on the day by texting 81099. When paying the charge you will need to know your vehicle registration number, the date applicable and the details of your chosen payment method.

### Car Parking - in order of convenience

- 1 St. Thomas Street - close to The Bridge Centre - 8 meters (4 Hour Stay)
- 2 The Union Car Park - St. Thomas Street (020 7378 9749 for enquiry reservations)
- 3 Southwark Street - 4 meters (4 Hour Stay)
- 4 Snowfields - 8 storey NCP car park
- 5 Crucifix Lane - smaller covered parking
- 6 Southwark Street / Southwark Bridge Road - two large open car parks

It is also very easy to reach us by car. There are plenty of car parks close by and we can help with directions. There are also eight parking meters (4 hour stay) just down the road from the centre.

People working in the City of London will find both our location and flexible appointment times very convenient and taxis are normally plentiful.

**Just call us on 020 7403 3363 if you need any assistance with travel directions or local knowledge.**
